

M.Sc. LM74 - 2017/18 – LESSONS TIMETABLE FIRST YEAR-FIRST SEMESTER (oct.16th- feb.2nd)

day and time	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
9-10	Geology laboratory (F)	Groundwater resources and hydrogeological hazard (F)	Sedimentology and stratigraphy (E) Plate tectonics (F)	Advanced field geology (G)	Structural geology (E)
10-11	Geology laboratory (F)	Groundwater resources and hydrogeological hazard (F)	Sedimentology and stratigraphy (E) Plate tectonics (F)		
11-12	Groundwater resources and hydrogeological hazard (F)	Waste management (F)	Groundwater resources and hydrogeological hazard (F)	Geology laboratory (F)	Structural geology (E)
12-13	Groundwater resources and hydrogeological hazard (F)	Waste management (F)	Groundwater resources and hydrogeological hazard (F) <i>Only in absence of seminars</i> SEMINARS (D)	Geology laboratory (F)	
13-14					
14-15	Environmental chemistry (F)	Geomaterials laboratory (G)	Environmental chemistry (F)	Field activities	
15-16	Environmental chemistry (F)	Geomaterials laboratory (G)	Environmental chemistry (F)	Field activities	Geomaterials laboratory (G)
16-17	English B2 (AB1 polo Iodovici)	Sedimentology and stratigraphy (E)	English B2 (AB1 polo Iodovici)	Field activities	Geomaterials laboratory (G)
		Plate tectonics (G)			
17-18	English B2 (AB1 polo Iodovici)	Sedimentology and stratigraphy (E)	English B2 (AB1 polo Iodovici)	Field activities	
		Plate tectonics (G)			

NOTE Thursday is the field activity day. It will be used by all courses to organize full-day field trips.
